

Dr. Tam's Memo 233 – 22/23 (20230707)

 Re : **G.T. College's IB Results (2022-2023) (4th cohort)**

Dear Parents and Students,

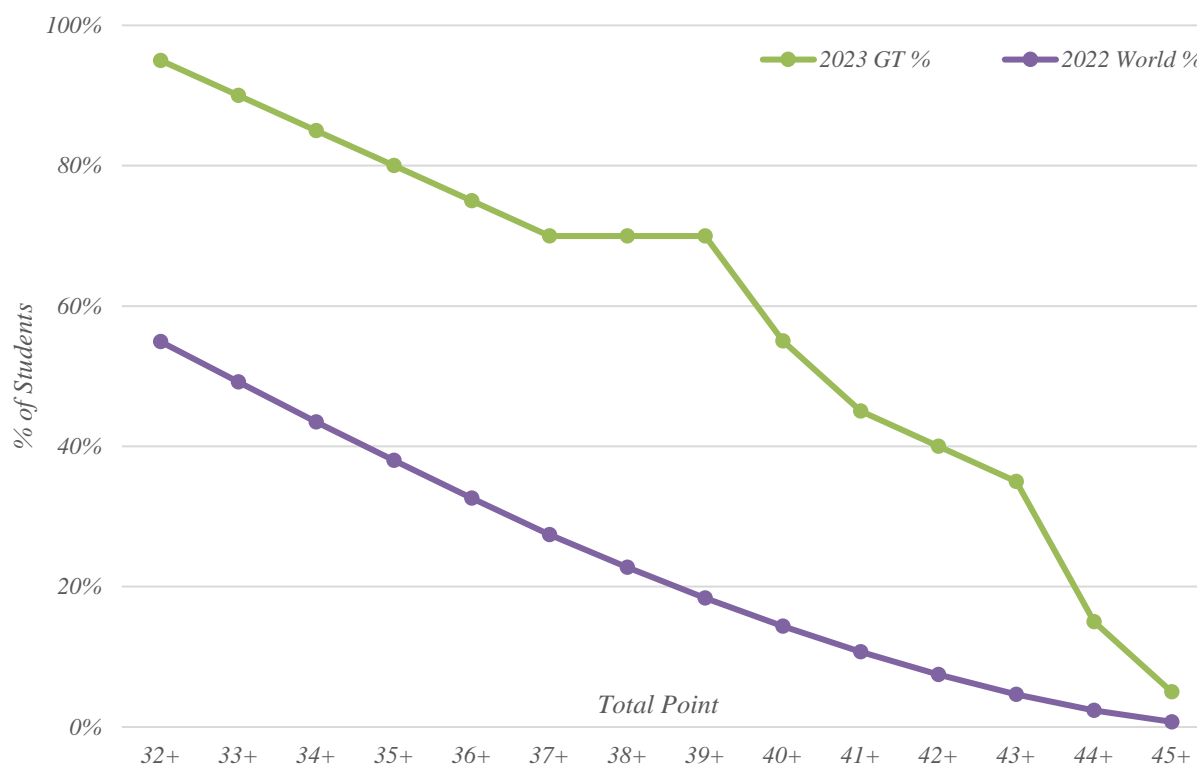

I am pleased to share with you the outstanding results by our fourth cohort of International Baccalaureate (IB) students. Despite the challenges posed by the three years of pandemic (2020-22), our students have shown remarkable fortitude and have achieved exceptional results in 2023 when all IB assessments resumed to its traditional in-person examinations rather than the school-based or alternative assessment format during 2020-2022.

IBDP Results	G.T. Graduates (May 2023)	Worldwide (May 2022)	G.T. Worldwide
45 points (Max. points)	5.0%	0.74%	6.8
44 points or above	15.0%	2.35%	6.4
40 points or above	55.0%	14.4%	3.8
Mean Total Points	39.2	30.2*	1.3
Mean Grade for ALL subjects	6.2	5.1	1.2
Bilingual diploma awarded	100%	27.6%	3.6

* May 2023 average total grade point officially announced in IBO web page.

I would like to extend my warmest congratulations to our students for their diligence and dedication. Their commitment to their studies, even amidst the pandemic, is truly commendable. Their perseverance and resilience have paid off, and they have obtained the results that they should be proud of.

Comparison of IBDP Performance between G.T. and 2022 May World (Total grade point distribution)

I would also like to express my gratitude to our parents and teachers for their unwavering support in helping our students achieve their goals. Their tireless efforts and companionship have played a crucial role in our students' success. With such good results, our IB students have been admitted to their dream faculties from the following top 50 universities, such as:

University (2024 QS World Ranking)	Faculty	No. of students
 Chinese University of Hong Kong (47)	Medicine	3
 University of Cambridge (2)	Music	1
 University of Hong Kong (45)	International Business and Global Management	1
 Cornell University (13)	Biological Sciences	1
 University of Toronto (21)	Life Sciences	1
 University of Edinburgh (22)	Medicinal and Biological Chemistry	1
 King's College London (40)	Geography	1
 The London School of Economics and Political Science (45)	Economics	2
 Chinese University of Hong Kong (47)	Integrated Bachelor of Business Administration	1
 Chinese University of Hong Kong (47)	Computer Science and Engineering	1

The results of this year's IB cohort are particularly encouraging given the challenges we have faced over the past three years. The almost 3-year hybrid mode learning has presented unforeseen obstacles that have impacted the academic journeys of our students. However, our students have shown that they are capable of rising to the challenges and lifting the bar.

Once again, congratulations to our students and parents for this remarkable achievement. We are proud of your accomplishments and look forward to seeing what you will contribute to the world.
