Re : The 13th Cohort DSE Results (2023-2024)

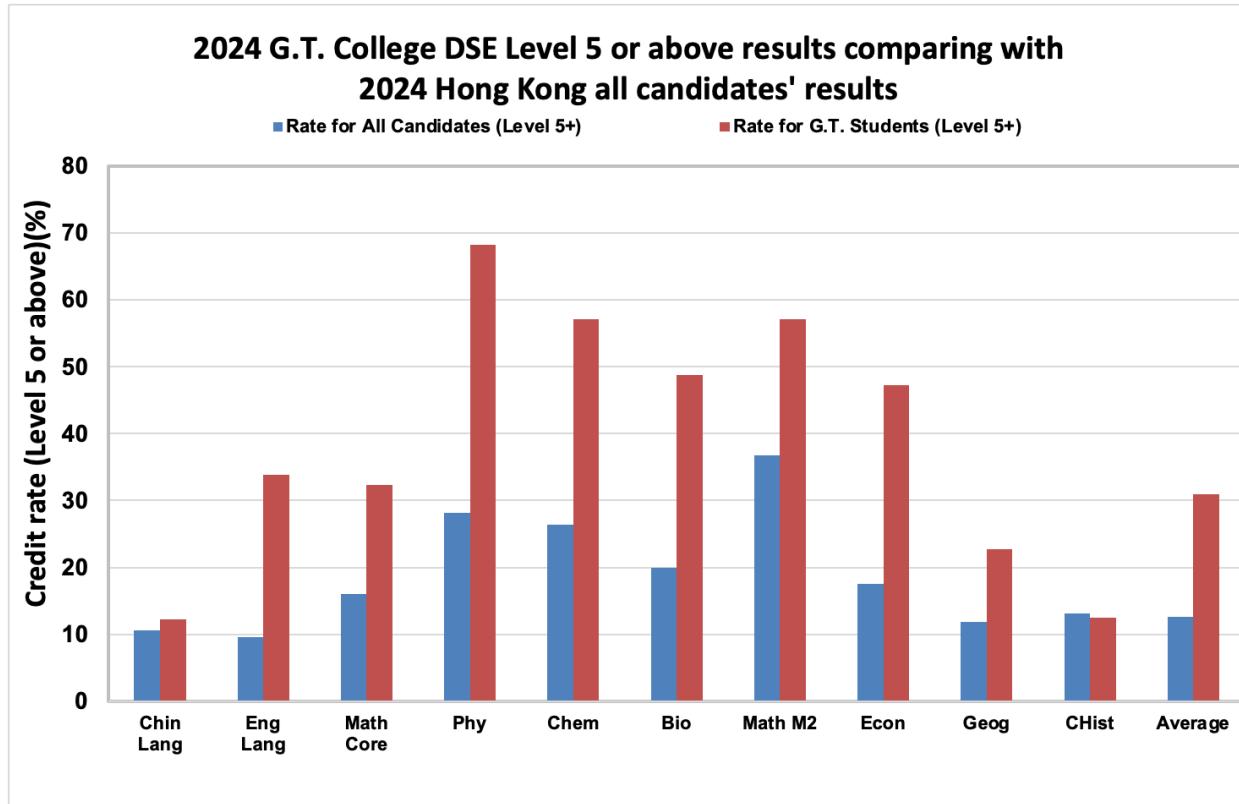

Dear parents, teachers, and students,

These few years of pandemic and post pandemic have been full of challenges, but we are honoured that our 13th cohort of Grade 12 students have achieved triumphantly in the DSE examinations. The DSE results were released today. This year 49,026 candidates took the DSE examinations, increasing by nearly 1% in comparison with the 48,762 candidates in 2022-2023. To compete for 15,000 places of the UGC-funded degree programmes, the success rate is around 31%, similar to the one in the previous year. Basically, students attaining a total grade point of 18 or above in the best five subjects and core subjects at 332A or better should have a UGC-funded degree programme placement.

### *Our 13<sup>th</sup> cohort students' achievements in the DSE examinations:*

- G.T. students' average total grade point in the best five subjects is 22.   
Our top 25% students have obtained an average of 28.7 and 33.1 total grade points in the best five and six subjects respectively.
- In the 12 subjects, G.T. College's Level 5 or above average is 30.9% (Hong Kong all candidates' average: 12.6%). On average, every G.T. student has 2.1 subjects with Level 5 or above.
- Seven subjects (English Language, Mathematics (Core part), Physics, Chemistry, Biology, Economics and Music) percentage attainment Level 5 or above are at least 2 times higher than that of the Hong Kong average.
- The best scorer is Lam Kwun Ming (3[5\*\*], 2[5\*], and 2[5]).

Admittedly, with the influx of our IB students and top IB results, the DSE stream has been affected. Notwithstanding the number of factors, our 13<sup>th</sup> cohort DSE performance amid the post-pandemic and the gigantic challenges in education remains gratifying and promising. May I express my deepest appreciation and gratitude for your continued support and effort in making the DSE examinations results a huge success for both your family and the school.

May I extend my heartfelt blessings to all the DSE graduates from G.T. College. I wish **everyone of them every** success with their **every** future endeavour. Thank you.

Yours truly,

Dr. Raymond Tam
