Re : **The 14th Cohort HKDSE Results (2024-2025)**

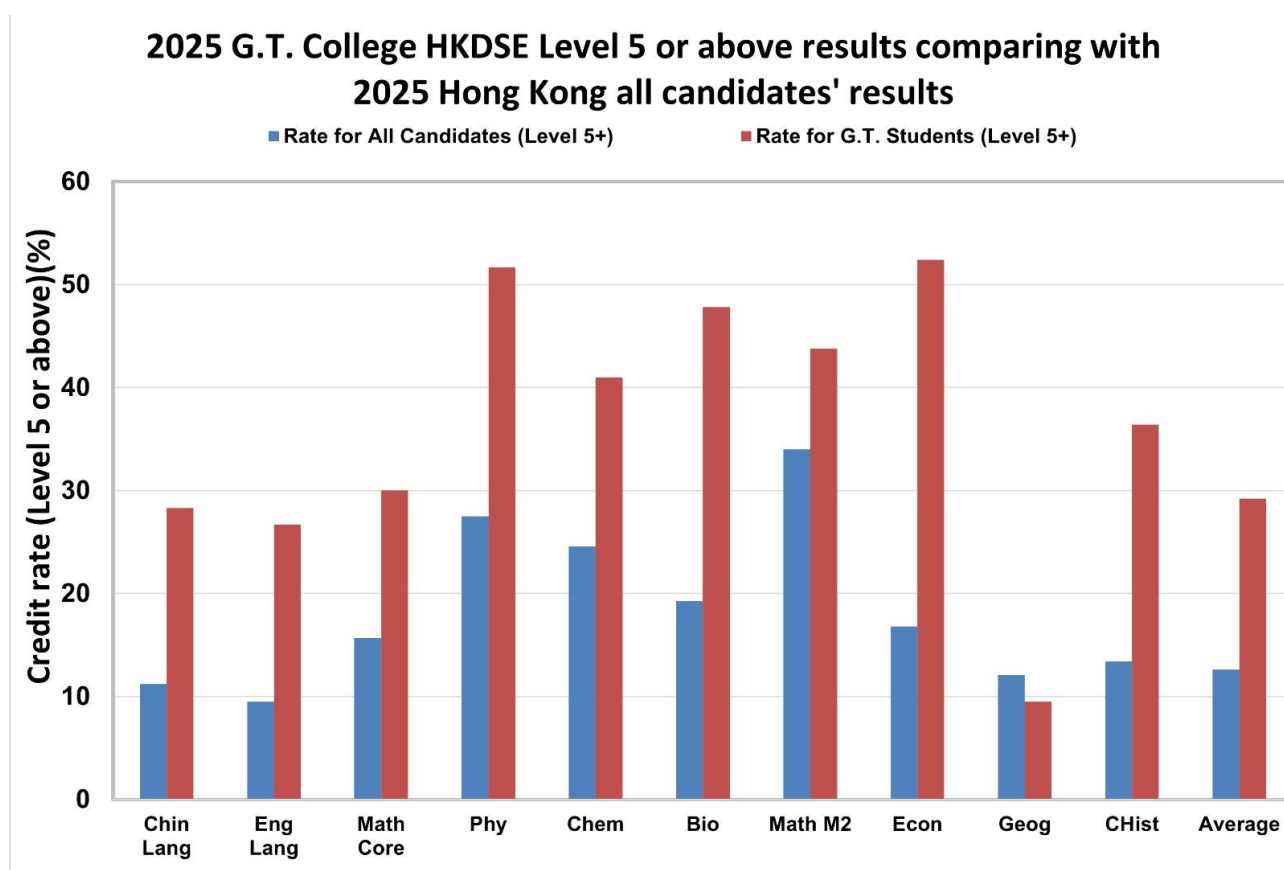

Dear parents, teachers, and students,

The HKDSE results were released today, and we are honoured that our 14th cohort of Grade 12 students have achieved remarkably in the HKDSE. This year 53,895 candidates took the HKDSE, increasing by nearly 9.9% in comparison with the 49,026 candidates in 2023-2024. To compete for the 15,000 places of the UGC-funded degree programmes, the success rate is 27.8%. Students attaining a total grade point of 18 or above in the best five subjects and core subjects at 332A or better should have a UGC-funded degree programme placement.

Our 14th cohort students' achievements in the HKDSE:

- 90% of G.T. students attain the university minimum requirement 332A2, which is much higher than the HK average of 38.4%.

- Five subjects (Chinese language, English language, Biology, Economics, and Chinese History) attain *Level 5 or above are at least 2.5 times higher* than that of the Hong Kong average.
